EVEREST WORK SOLUTION SP. Z O.O.

**SOLVING PERSONNEL PROBLEMS FOR  
YOUR BUSINESS**

**WORKERS FROM ASIA**

**Workers from Asia are able to replace effectively hundreds of thousands of Poles who leave for work to the Western Europe and workers from Ukraine whose financial expectations are more and more difficult to match.**

- 
- Asian countries where we search for employees: Nepal, India, Bangladesh, Phillipines, Sri Lanka, Indonesia
  - General situation in these countries: hard economic conditions, very high unemployment rate and low remunerations for work
  - People are accustomed to economic migration, most of them communicate in English
  - People are kind, willing to help, smiling, communicative, accustomed to hard work

GET TO KNOW **ASIA**

- Sound, reliable, loyal employees
- Specialists, in highly demanded professions in Europe, available
- Long-term cooperation
- People who are very motivated to work
- Persons cooperating in a group
- Communication in English
- Competitive employment cost

**WHY ASIA?**

In response to current situation on labour market we carry out the recruitment of workers from countries of the Far East.

Our offer includes recruitment, selection of workers, but also preparing all formalities and organising transport, accommodation, medical examination and OSH training.

You get a worker who is ready to start long-term work in Your company.
